# WELCOME TO BARTECARD ONLINE

With more than 1,000,000 page impressions each month and features like auctions, an e-market place and online transactions, The Bartercard members trading portal is quickly becoming the one stop shop for everything Bartercard. Companies can also tap into the website's popularity with onsite banner advertising.

Also within the members trading portal is the online directory which allows members to search for and access businesses both within Australia and internationally. Here it is also possible to upgrade a business listing to a featured or display advertisement, guaranteeing a high ranking within the online directory.

Your ability to access a larger Bartercard market audience has never been easier.
